Year of Mercy

Dear friends in the Lord,

This year, we celebrate the important milestone of 50 years of solidarity with the *Church in Latin America and the Caribbean*. The Church there faces many challenges, including a lack of access to resources that the faithful need to nourish their spiritual lives. Often, there are too few priests to meet the needs of the many communities they serve or the communities themselves are simply too isolated to have access to other important resources for the faith. Strategies to train and support evangelization leaders are vital to reach those who are disconnected from the life and mission of the Church.

For the past 50 years, the United States Conference of Catholic Bishops, through its subcommittee on the *Church in Latin America*, has helped 25 countries in Central and South America, as well as the Caribbean, to confront challenges to the faith. With your assistance and the support of all the Catholic faithful, we have helped to develop evangelization and catechetical programs. We have also funded activities that promote an encounter with Jesus Christ so that the faithful can become missionary disciples.

For example, in the Diocese of Garzon, Columbia, the Parish of Our Lady of Guadalupe is blessed with a large community; however, there are only a few priests to address its many needs. Through a grant from the collection for the *Church in Latin America*, the pastor was able to train pastoral and evangelization leaders for the parish community. These leaders participated in formation on leadership and teaching catechesis, as well as in spiritual retreats, so that they could reach out to the larger community. The parish also created “Catholic Faith” kits to aid in evangelization and teaching catechesis to those in the community. Through this project, the parish was able to achieve its goal of creating an evangelization program to reach the 3,700 families of the parish.

Please be generous in this collection **next week**, and take this opportunity to share your faith with families in *Latin America and the Caribbean*. Your support will truly make a difference.

With prayerful best wishes, I am,

Faithfully in Christ,

Timothy Michael Cardinal Dolan  
Archbishop of New York
