**Assisted Suicide** continues to be in the forefront of issues being considered in Albany. Some claim it is simply "medical aid in dying" and not suicide. But what is really at stake here? Are lethal pills the most we can offer to our brothers and sisters who find themselves suffering with a terminal illness? Join us to learn the facts as we look at the legislation and its medical, legal, and ethical implications. Co-sponsored by the Family Life/Respect Life Office of the Archdiocese of NY and the Bishop Anthony Mestice Council of the Knights of Columbus.
