

# ST. JOSEPH-IMMACULATE CONCEPTION'S 2017-2018 CYO BASKETBALL PROGRAM

All registrations will be done via mail and email this year. ***The cutoff date for registration is October 20, 2017.*** Parishioners of St. Joseph – Immaculate Conception Catholic Church are eligible to participate. There may also be openings on a team for non-parishioners. Those children are encouraged to register and will be notified as to their eligibility. The Archdiocese of New York has instituted eligibility requirements that must be followed so as to avoid disqualification of a team and/or parish from CYO competition. Home games will be played at St. Joseph's gymnasium (grades 4, 5 & 6) or at Millbrook Middle School (grades 7 & 8).

The CYO fee for this season will be \$95.00 per child or \$170.00 for two children in the same family. The CYO fee includes the team entry fee, rental fees for gym space, payment for referees, purchase of equipment, maintenance fees and tournament fees.

If your child is in need of a uniform, the cost for a full uniform is \$32.00. A jersey is \$21.00 and shorts are \$10.00. The fees are to be paid by check payable to St. Joseph's CYO when you sign your child up. **No cash please!!!**

The uniforms come in the following sizes: youth large and xl, men's small, medium or large for all shorts and boy's jerseys; youth large and xl and women's small, medium or large for all girl's jerseys. Please provide the correct spelling of your child's last name, the preferred number and the size of the uniform needed. We will *try* to accommodate number requests. ***If you have a uniform from last year, please provide us with that number on your registration form.*** Coaches will contact players in late October with regard to practice sessions. The first games will be held the first weekend in December.
